**Expository Writing**  
Writing to explain or inform

- Collect the most important information.
- Predict the reader's questions and answer them.
- Use enough details to thoroughly inform the reader.
- Teach the reader something new.
- Explain unusual words or terms.

**Imaginative Writing**  
Writing to engage your creativity

- Choose a unique idea.
- Take the reader by surprise.
- Include creative details to spark the reader's imagination.
- Give the reader something to think about.
- Consider unusual twists and turns.

**Descriptive Writing**  
Writing to paint a picture with words

- Create a picture in the reader's mind.
- Include interesting and specific details.
- Stay true to the original concept.
- Show, don't tell. Use sensory words and phrases.

**Persuasive Writing**  
Writing to construct an argument

- Know your subject well.
- Present the different sides.
- Then, state a position.
- Give evidence to support your position.
- Save the best argument for last.

**Personal Writing**  
Writing to explore your own ideas

- Use your writing to think through important ideas.
- Be honest.
- Capture special moments.
- Write about something you find interesting.
- Experiment with new ways to express yourself.

**Narrative Writing**  
Writing to tell a story

- Outline the main events (plot).
- Describe the setting with vivid details.
- Create interesting characters.
- Build toward an important turning point.
- Resolve the conflict or problem in the story.
