2-sided mats

Word Shark: Word Chunks Game

The fun begins when each player chooses a Word Shark mat. Player 1 draws a consonant tile from the pile and tries to add it to a word ending on his or her mat to make a word. If the letter cannot be used to spell a word, it is returned to the pile. Then the next player draws a tile and tries to make a word. The first player to fill a mat with words wins! Use the other side of the mats to spell as many words as you can! Variations allow for crossword puzzles, centre activities, cooperative activities or timed contests!

Excel Basic Skills Workbooks: Building Your Vocabulary Skills

The Building Your Vocabulary Skills series is a three book set of workbooks to help children increase their vocabulary and become more confident in using new words correctly. Each book is divided into single-page activities with each page using a different strategy or theme to help your child learn new words.

This series of books are designed to help your child at home, which will in turn improve their confidence in reading, writing, spelling and comprehension exercises at school. It would be useful for children to have a quality dictionary at hand when doing these exercises. This can avoid guesswork if they are unsure of an answer. Theoretically, then, there will be no errors for parents to correct, yet children will have still have added new words to their vocabularies.

Excel Basic Skills Workbooks: Basic Reading Skills

The Excel Basic Reading Skills series aims to help primary-aged children with reading and comprehension using short pieces of writing. Each page comprises a self-contained, one-page exercise, ensuring children only need to focus on one simple activity at a time.

In today's world, most children probably read less than their parents or grandparents did at the same age. Distractions such as television and video games take up many hours that could be spent in reading. To excel in reading requires plenty of practice.
