TRIJO TOWER

Who will be able to transport their ball up the trijo tower first? With a clever turn, transfer the ball from one spoon to the next lifting the ball upwards. Concentration is required because if the ball falls, the player has to start over. Whoever clicks their ball under the archway first with a little swing wins! Improve children's hand motor skills and finger dexterity. Up to 3 players.

GIANT WOODEN DOMINOES

Giant hardwearing solid beech wood dominoes, great for playing outdoors. With smooth finished edges and strong painted black dots, the dominoes can be used to play the traditional game - taking it in turns matching the equal dots until you have used all your dominoes - or for counting practice and simple adding and subtracting games. Ideal for improving mathematical knowledge and confidence.

GIANT WOODEN CONNECT 4 GAME

A large version of the traditional Connect 4 game with a sturdy frame and smooth finished wooden black and red counters. The rugged plywood construction is of excellent quality and is ideal for outdoor play. Use in the conventional way - racing your partner to make a row of four with your counters, for practicing simple counting skills or for pattern making - a great way to strengthen motor skills and logic, and to improve concentration. Simply remove the locking pegs at the side to flip the frame and let the counters fall out.

GUESS WHO? CLASSIC GAME

It's the Guess Who? game - the original guessing game! This Guess Who? game goes back to the tabletop style boards, styled after the original, rather than handheld boards. Each player chooses a mystery character and then using yes or no questions, they try to figure out the other player's mystery character. When they think they know who their opponent's mystery character is, players make a guess. If the guess is wrong, that player loses the game!
