GIANT WOODEN CONNECT 4 GAME

A large version of the traditional Connect 4 game with a sturdy frame and smooth finished wooden black and red counters. The rugged plywood construction is of excellent quality and is ideal for outdoor play. Use in the conventional way - racing your partner to make a row of four with your counters, for practicing simple counting skills or for pattern making - a great way to strengthen motor skills and logic, and to improve concentration. Simply remove the locking pegs at the side to flip the frame and let the counters fall out.
